Thanks KB! I tried to tighten up the O&G discussion, and sorry for not using track changes – it was making my computer SO slow today!

Karen, can you provide any meetings, conversations for this pager?

Thanks!
Lisa

Not sure if anyone is working today but, given tomorrow is my CDO, wanted to get a draft to you for review:

- O&G – any meetings, conversations, etc with Conoco?
- CISWI – anything else to add?

Thanks to all and be safe in the snow/ice!
